

ORGAN CONCERT

Dr. David K. Lamb

Music Director

Trinity United Methodist Church

New Albany, Indiana

Featuring... *"Sounds of the Season!"*

Dr. David Lamb has presented organ concerts in over thirty states throughout America and many other concerts in Europe. We warmly welcome Dr. Lamb back to our Parish after accompanying three stellar performances of Part I of Handel's Messiah with our parish choir within the past few years. We are delighted that Dr. Lamb will return to present a solo organ concert on our recently renovated and expanded 1965 Moller Pipe Organ, of 39 ranks and 47 stops. Please come and enjoy the remarkable sounds of this great instrument as Dr. Lamb presents "Sounds of the Season!"
